## **ZuZu expansion could open Wednesday**

As happens so often in Napa, ZuZu's expansion into the adjoining space (the old Asia Chop Suey) might not happen as planned on Wednesday; the city found some issues that they felt had to be corrected, including some ADA concerns.

It really won't matter much, as ZuZu will be open serving the same Spanish-inspired food we've come to expect.

At any rate, expect that opening as well as other changes to roll out over the next few weeks. Every time you visit, it will have something new.

A reminder of those changes: cocktails highlighting diverse gins, big shared plates of meat and fish, more paellas and a takeout window (Hank's Takeout) for both ZuZu and adjoining La Taberna as well as an event space in the old Henry's Tavern.
